

Hello and welcome to a new school year here at  
Sunflower Elementary School.

~Home of the Jaguar Cubs~

I am Mrs. Skibba and this will be my 11<sup>th</sup> year of teaching. I graduated from Kansas State University and spent my first 6 years teaching 4<sup>th</sup> grade in Mulvane. I married and moved to Andover where I joined the Martin Elementary staff and taught 4<sup>th</sup> grade there for 3 years. Because I live on the Central side of Andover and am truly a “Jag” by heart, I transferred to Sunflower Elementary School last year and have enjoyed getting to know the students and staff here. I have just finished my Master’s Degree in Curriculum & Instruction from WSU and am excited to implement what I have learned in the classroom.

I live here in Andover with my husband and 3 year-old daughter, Emily. My husband is a senior propulsion engineer at Cessna. I also have a stepson, Wyatt, who attends 5<sup>th</sup> grade at Meadowlark-Prairie Creek Elementary School. My additional “baby” is Abby, our 7 year-old Shih-Tzu dog that loves to be pampered and “hang out” inside all day.

When I have time to myself, I enjoy scrapbooking and gardening at home. I find myself chasing my toddler around the backyard and enjoy spending time being a kid with her. My favorite food is Mexican, and I love to visit Taco Bell on a weekly basis. I look forward to meeting you all this year and help in creating a memorable school year for you and your family. Enjoy the pictures of my family below!

Have a great 4<sup>th</sup> grade Jag year,

*Mrs. Skibba*

**Our family**

**Emily and Mommy**

**Pony rider, Emily**

**Future Central soccer star, Wyatt**
